DRIVING SAFETY (see also Road Rage)

ATV Rider's Guide To Safety

V0031 c1986 19 min.

Designed to introduce the correct and safe use of all-terrain vehicles (ATVs) to both the novice and the experienced rider. Offers tips on operating on all terrain vehicles. (800-447-4700)

ATV Safety For Agricultural Operations

V0490 c1993 14 min.

Co-sponsored by the ATV Safety Institute, State Fund Insurance and the AG Safety Institute, this video presents a basic safety strategy for the agricultural use of ATVs. Covers: Driving techniques; Maintenance checks; Pre-operation checks; Personal protective equipment; and Common safety rules. Shows how to drive on different terrain, respond to difficult situations, make safe turns and stops, and avoid hazards.

Bicycle Safety In Plants & Factories (CC)

V0535 c1996 9 min.

Bicyclists training for rules, warning gear for bikes, maintenance, and defensive attitude while biking. Suggested to supplement or as refresher training.

Blindfold Effect

V0696 c1997 20 min.

Interactive video features three unforgettable crashes at intersections. At pause points, viewers identify the factors that contributed to each crash. Gives practical techniques to prevent these types of collisions.

Combination Vehicles And Endorsements

V0556 c1990 28 min.

Practical for new and seasoned drivers with Class A endorsements. Covers: Double and triple trailers; Passenger vehicles and buses; and Tank vehicles.

Controlling The Vehicle

V0211 c1992 13 min.

Explores what the driver can and can not control, and explains how the "Natural Laws" of Friction, Energy of Motion, and Force of Impact affect driving. Teaches drivers how to stop safely in inclement weather and other situations.

Defensive Driving : A Crash Course

V0642 c1996 16 min.

Describes the attributes of a defensive driver: know the route; pre-trip and routine vehicle inspections; eliminate unnecessary distractions; and avoid alcohol or drugs. Reviews practical driving procedures in the city, highway, and rural areas.

Defensive Driving : Prepared for the Worst (CC)

V0643 c1996 18 min.

Covers conditions which create hazardous driving situations - snow, ice, rain & fog; preventive maintenance; precautionary measures; breakdown basics; accidents; road construction zones; and personal security.

Defensive Driving Tactics (3rd edition)

V0180 c1989 16 min.

Two professional drivers demonstrate the difference between defensive driving and aggressive driving as they participate in a safe driving test on city streets and highways.

Department Of Transportation HM 126F General Awareness Training : Handling And Transporting Hazardous Materials Safely

V0158 c1992 27 min.

For employees who handle or transport hazardous materials. Includes : DOT's new regulations on handling and transporting hazardous materials; identification of hazardous materials; Regulations; Awareness of protection measures for working with hazardous materials; Accident prevention and emergency procedures.

Distracted Driving

V0944 2002 16 min

Distracted Driving discusses five major types of distractions: cell phones and other gadgets, children, aggressive drivers, drowsiness, and traveling away from home. In each segment, dramatic reenactments illustrate the dangers, as well as the use of safe driving techniques. Good judgment, alertness, and patience are stressed as the basics of safe driving. Provides realistic solutions to common problems.

Driven Driver

V0300 c1994 13 min.

Uses live action scenes, 3-D graphics and testimonials to motivate and educate employees to change attitudes and behavior while driving. Complies with OSHA's proposed Occupant Protection in Motor Vehicles Standard. Covers: driving skills; peripheral vision; vehicle familiarity; seat belts; loading the vehicle; parking and backing up; and effects of Alcohol and Drugs.

Drivers Alert : Over-the-Counter & Prescription Medications and Impaired Driving

V0890 1995 13 min.

Addresses the growing problem of driving under the influence of legal medications.

Driving Safety

V0663 c1995 16 min.

Covers: Inspection of vehicles and adjustment of equipment; Use of seatbelts; Mental preparation and concentration; Use of a "Safety Cushion"; Driving tips: passing, night driving, adverse weather, skidding and hydroplaning; and Accident procedures.

Driving Safety (CC) (No CC version see: V0791)

V0538 c1996 13 min.

"Safety Crusader" Adam West tries to foil "Rudy Reckless" by covering strategies that will make you a safe and efficient driver. Covers: Safe driving attitudes, security, maintenance checklist, hazardous materials. Suggested to supplement or as refresher training.

Driving Safety (For CC version see: V0538)

V0791 c1996 13 min.

"Safety Crusader" Adam West tries to foil "Rudy Reckless" by covering strategies that will make you a safe and efficient driver. Covers: Safe driving attitudes, security, maintenance checklist, hazardous materials. Back injuries can and often are very serious. Suggested to supplement or as refresher training.

Drowsy Driving : Shattered Lives

V0858 c1998 13 min

Fatigue is a major cause of fatal collisions in Washington State. Along with testimonials from victims of drivers asleep at the wheel, this video explores issues related to drowsiness and driving, including sleep disorders.

DUI : Choices And Consequences

V0340 c1993 33 min.

This dramatization on the consequences of drunk driving features Jack Hamilton, a young college student who decides to unwind from the pressures of school, work and family life by having "a few beers."

HazMat Transportation - Security Depends on You (CC)

V0939 2002 20 min.

Combines safe driving procedures with the added responsibility of transporting hazardous materials. Covers: personal preparations including heightened sense of awareness and observation of environment and personnel, pre-trip inspection, security while on the road, and procedures at the delivery site. Emphasizes safety and security procedures with a post 9/11 attitude. V0244 (Safety Training for Handling & Transporting Hazardous Materials) and V0608 (Hazardous Materials Transportation) give more emphasis on HazMat training and transportation.

Highway Construction And Maintenance Safety (CC)

V0511 c1996 8 min.

Gives guidelines for safe traffic control and safe work practices for flaggers and all other workers close to roadways. Suggested to supplement or as refresher training.

Highway Driving Tactics

V0100 c1975 18 min.

Reviews highway safety and accident prevention. Gives on-the-road demonstrations of such various survival skills as: speed; vision; seat belts; and the two-second rule.

Highway Driving Tactics (3rd edition)

V0181 c1986 18 min.

On-the-road demonstrations provide a number of "survival skills" for drivers, including monitoring ahead, around, and behind; the two-second rule and using seat belts.

License To Drive

V0577 c1990 25 min.

Reviews crucial information covered in the CDL test that will make drivers safer and smarter. Covers: Commercial classes and endorsements; Safety inspections; Air brakes; Driving skills; and Handling cargo. Also covers: Testing drivers on skills to operate commercial vehicles safely; Getting problem drivers off the road; and Keeping commercial drivers from getting more than one license.

Managing Space And Time For Safe Driving

V0202 c1991 9 min.

A driver education presentation emphasizing how good drivers continually adjust their driving to maintain a safe space cushion in traffic.

Night Driving Tactics (2nd edition)

V0022 c1984 13 min.

Dramatizes just how the physics of light, mass, and motion combine with the physiology of vision and reaction time to make fast night-time driving life-threatening behavior. Emergency procedures for fog and breakdowns, and ways to fight drowsiness are described.

Pro Driving Tactics (Washington Version)

V0274 c1978 15 min.

Drivers can protect themselves from the hazardous actions of others by learning to use pro driving tactics of space and time. Tactics shown in this film include: Maintaining a space shield and a clear field of vision; Developing perceptions of potential hazards; Using proper eye movement; Getting other drivers' attention. Each tactic is demonstrated in a situation related to a common accident cause.

Professional Fleet Driver : Safe Operation Of Company Vehicles

V0294 c1988 15 min.

Teaches safe driving skills to professional drivers.

Professional Fleet Drivers : Proper Driver Attitude

V0285 c1989 15 min.

Designed to be administered with groups of drivers at a regional or district meeting, and to teach drivers to overcome attitude problems and develop a safe professional attitude.

Reversing The Trend : Driver Compliance

V0268 c1992 19 min.

Designed to assist you in your compliance with OSHA's Occupant Protection in Motor Vehicle standard. Teaches employees safe driving techniques, driving in hazardous conditions, skid control techniques, safe distances, the adverse effects of alcohol and seatbelt safety.

Road Rage

V0817 c1999 16 min.

Identifies the term road rage and potential hazards. Gives steps for reducing the risk and what actions to take if confronted by an aggressive driver.

Road Rage : Combating Aggressive Driving in Washington State

V0856 c2000 11 min.

Law enforcement officers across Washington state are using innovative approaches to combat increasing acts of road rage and aggressive driving. Viewers learn the consequences of road rage, plus driving strategies to employ when encountering aggressive driving.

Safe Driving [Also available on V0379]

V0350 c1994 8 min.

One important key to safe driving is being prepared for emergencies by inspecting your vehicle and following simple maintenance routines. Another important key is by using all your senses, especially eyes, to constantly monitor for safe driving conditions. Suggested to supplement or as refresher training.

Safe Driving In Hazardous Conditions

V0270 c1991 17 min.

Defines techniques for driving in rain, fog, snow and ice.

Safe Winter Driving

V0339 c1993 17 min.

Details how workers can protect themselves from the hazards of winter while outdoors and on the road. Topics include basic emergency equipment, rain, snow and icy conditions, what to do when stopped and stranded.

Safer State at .08 : Washington's New Drunk Driving Laws

V0857 c1999 10 min.

The legal blood alcohol limit has been reduced to .08 for drivers in Washington. Other Washington Laws include tougher penalties for repeat DUI offenders, fines, and the possibility of doing jail time or being subjected to home monitoring.

Safety On The Job : Van And Truck Driving

V0239 c1986 23 min.

The program teaches drivers the fundamentals of pro-driving procedures habits that anyone who drives for a living should adopt. Stresses safety attitude. Spanish Version V0240.

Safety Watch Series. Vol. 1. no. 2. May 1994

V0379 c1994 30 min.

Contains these four segments on safety issues: INTRODUCTION TO HEARING PROTECTION (V0347), FALL ARREST SYSTEMS (V0348), HAZCOM : REVIEW (V0349), and SAFE DRIVING (V0350). For descriptions of each segment, refer to specific titles and title numbers as listed here.

Seatbelt Safety (CC)

V0829 c1998 5 min.

Dramatic footage of auto accidents motivates workers to wear seat belts. This video covers federal regulations for seat belt safety and disproves arguments against wearing seat belts.

See And Be Seen

V0212 c1992 12 min.

Demonstrates techniques for identifying hazards, how to get and maintain SPACE, and ways of communicating the driver's presence and intent. Improves observation skills for defensive driving and suggestions for eliminating physical distractions before getting on the road.

Seguridad en el Trabajo : Manejando la Camioneta y el Camión (Safety On The Job : Van And Truck Driving)

V0240 c1986 23 min.

The program teaches drivers the fundamentals of pro-driving procedures habits that anyone who drives for a living should adopt. Stresses safety attitude. English Version V0239

Seguridad en las Operaciones Agrícolas (ATV Safety For Agricultural Operations)

V0376 c1993 14 min.

Co-sponsored by the ATV Safety Institute, State Fund Insurance and the AG Safety Institute, this video presents a basic safety strategy for the agricultural use of ATVs. Covers: Driving techniques; Maintenance checks; Pre-operation checks; Personal protective equipment; and Common Safety Rules. Shows how to drive on different terrain, respond to difficult situations, make safe turns and stops, and avoid hazards.

Staving Out Of Harm's Way

V0178 c1992 15 min.

Defensive driving techniques are demonstrated for these Danger Zones: intersections; merging lanes and highway/rail road crossings. Describes techniques for avoiding danger with the weaver; tailgater; speeder; turtle; and impaired or intoxicated driver.

Tarp Smart : Protect Your Load ... And Ourselves

V0738 c1995 11 min.

Covers safe tarping procedures for square and odd shaped loads. Illustrates several different hazards to which drivers are exposed during tarping procedures and how to eliminate or minimize the hazards.

Today's Workplace. Workplace Traffic Safety

V0784 c1999 31 min.

Does traffic safely play an important role in the workplace? "Today's Workplace" investigates this question. By interviewing seven experts and taking an in-depth look at the key areas of traffic safety, "Today's Workplace" finds some interesting answers.

Top Driver: Defensive Driving Skills

V0820 c1998 75 min.

A comprehensive driving course in eight parts, about ten minutes each. Interest is heightened by tips from professional racers and stunt drivers. Covers driving basics, safety checks, driver attitude, rules & signs, over and understeering, hydroplaning, anti-lock braking systems, driving distractions, rural driving, bad driving conditions (snow, ice, wet, night), and handling dangerous situations. Parts can be used separately.

Traffic Safety (CC)

V0505 c1996 8 min.

Shows techniques for effective road management. This means knowing where your vehicle is in relation to other moving or stopped cars and applying safe driving guidelines at all times. Also discusses the problems which may arise from driving under the influence of alcohol. Suggested to supplement or as refresher training.

Ultimate Driving Challenge

V0703 c1994 30 min.

Hosted by well-known celebrities, Craig T. Nelson and Paula Zahn, with guest appearances by: Tim Allen, Annie Potts, Danny Sullivan, Deidre Hall, and Barbara Mandrell. Covers a series of live demonstrations of difficult and dangerous driving situations and how to correctly handle each one safely.

Vehicle Safety (CC)

V0524 c1996 14 min.

Adam West the "Safety Crusader" confronts "Rudy the Reckless" in a spin-off from the old TV show "Batman". West narrates this video which covers safety rules for driving on an industrial site. Suggested to supplement or as refresher training.

Washington Give 'em a Brake

V0868 1995 9 min.

Washington State Law regarding Flaggers. Contains a clip of the Public Service Announcement for driver's awareness to safety throughout road construction zones. WORK ZONE SAFETY SERIES.

When You Least Expect It!

V0171 c1990 22 min.

Stresses developing a defensive driving attitude, practicing defensive driving techniques and paying attention. Dramatic accidents are executed by professional stunt drivers from the Joie Chitwood Thrill Show. Emphasizes seatbelt use, observe drivers behind, anticipate activity ahead and behind. Motivates viewers to avoid distractions while driving. Narrated by McLean Stevenson. Graphic collisions.

Winter Driving

V0594 c1995 18 min.

Teaches driver training techniques for utility and straight truck drivers. Uses live video sequences to illustrate loss of control situations. Covers winter driving techniques and preparation of vehicles for winter travel.

Winter Driving Tactics

V0036 c1975 16 min.

Winter drivers in Minnesota are used as examples in dangerous driving situations. Techniques for handling a skid, use of snow tires, and adjusting to different driving conditions are shown.

Winter Driving Tactics (2nd edition)

V0045 c1985 14 min.

Winter driving experts from Anchorage, Alaska show techniques for handling a skid, using snow tires, and adjusting driving habits. Also shows how to winterize cars and what items to stock in the trunk for emergencies.

Winter Driving Update

V0179 c1991 15 min.

There are many safety precautions, preventive measures, and tactics to learn before driving in wintry conditions. Methods for driving safely in snow and ice are demonstrated. The importance of being prepared in the event of a breakdown is emphasized.

You're In Control

V0213 c1992 17 min.

Motivates people to drive only when they are in good physical and mental condition. Explains "Cool Down" strategies for recognizing and dealing with mental and emotional distractions such as anger and anxiety; demonstrates how alcohol affects driving performance; and reinforces safety belt usage.

Zero Tolerance : You Don't Have To Be Buzzed To Be Busted

V0889 1999 11 min.

Intended for the teen audience. However, parents of teens should also view this video's drama of teens getting caught with alcohol in the car and the legal and financial consequences.
